ABSTRACT

This 767-item bibliography provides language teachers with an enumerated, subject-classified, selected body of reference and research materials. Largely drawn from the Educational Resources Information Center (ERIC), the items are listed with the ERIC accession number. Sixty-three subject classifications range from advanced placement to testing and measurement. (RL)

Explanatory Notes

All items in this bibliography may be borrowed from the office of the Coordinator of Foreign Language Instruction. Request by item number will be sufficient.

ERIC documents appear in two forms: microfiche, which requires use of a microfiche reader, and hard copy, a photostatic reproduction. The locally available form is indicated at the end of each ERIC document entry: (HC) for hard copy; (M) for microfiche.

Résumés of ERIC documents appear in Research in Education where they may be located by accession number. This office will furnish résumés upon request of Tucson Public Schools personnel.
